Video of the 2023 Chris Craft Commander Rendezvous held at Cedar Point, Sandusky Ohio. August 18-19th. Aerial video with a song about Commanders by Sam Lillard. The Commander song was written by Jerry Zsigo (Zsigo Sound) . He is a local Catawba / Marblehead guy that plays in many taverns & bars from Port Clinton to Marblehead all year.

Where Commander Club members are gathered, amazing things can happen.
