

# Chris-Craft® 1969 23' Commander

This V-drive deep-V, designed by ocean racing champion Jim Wynne, is built for swingers — she sizzles at 42 MPH with a 300-HP V-8 engine. A Chris-Craft 230-HP engine is also available. Pedestal type bucket seats with headrests are standard forward, and a  $\frac{3}{4}$ -width lounge seat is optional amidships. The center section of the windshield opens so that you can step into the forepeak to tend lines. A marine toilet is optional, as is a mid-ship ski-tow.
