

36 COMMANDER.® FOR FISHING AND CRUISING.

Originally designed as a tough tournament fisherman, the 36 Commander has the guts to keep you dry in the roughest water – and the comfort and conveniences to keep the whole family together on the cruise of your dreams. Standard power are twin 330's. The engine compartment is neat and easy to get to. The entire electrical system is made up of individual breakers, all on one panel. Living conditions are first-rate. Head with stall shower. A large guest stateroom with a complete chest of drawers. Options like twin diesels, air conditioning, electronics are endless.
