

Thank You For Celebrating With Us! At Lovely Ladysmith Marina

What a great weekend we had although we missed our American friends. It was also nice that a few members of the Classic Yachting Association were able to join us. Thank you! Look for a special invite from CYA to their fleet rendezvous in September! We hope you enjoyed the many special events held in the beautiful Gulf Islands.

From the exciting arrivals where welcome bags were shared, the Friday night burgers, the infamous Quiz, Saturday's Pot luck and Spanish coffees, to our casual pizza dinner on Sunday for those who stayed on, we had lots of fun. And, how about the great restaurant, Oyster Bay Café, right on the dock! What a weekend! Sunday welcomed new plans for our beloved Chris Crafts to venture home or travel to destinations anew, with many of us bumping into each other enroute. Oh, and did we mention the weather? It was a SIZZLER!

Special thanks to Hagerty Insurance and Pacific Yachting Magazine for their generous support! And to Wayne and Elly at Ladysmith Marina for all their help.

Many thanks to the CCCR Committee Members for their commitment to this great event. If anyone is interested in joining our committee, it is a lot of fun, and we would love to welcome you. Please contact Dave Peebles.

Of course, the biggest thanks go to all of you for making the Canadian Chris Craft Rendezvous such a great success. Oh, and please send us your pictures so we can post them on our website!
